What comes next?

3, 6, _____, _____, _____, _____, _____, _____, _____

5, 10, _____, _____, _____, _____, _____, _____, _____

7, 14, _____, _____, _____, _____, _____, _____, _____

Look at the graph and answer the questions.

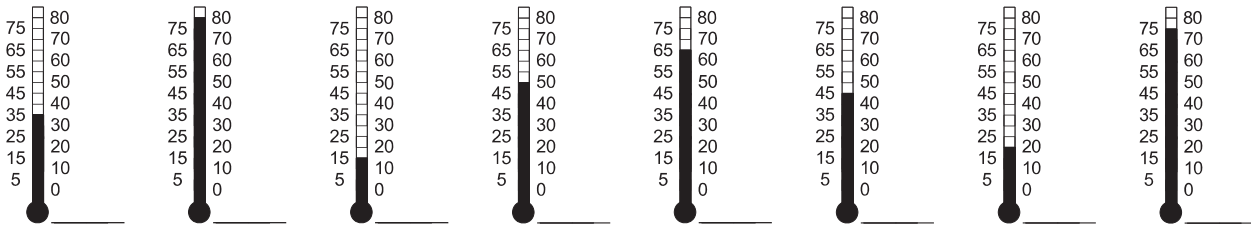

Who found more cans, Dick or Lynn?

Who found the most cans? _____

Which two people found the same number of cans? _____

Who found the most cans, the girls or the boys? _____

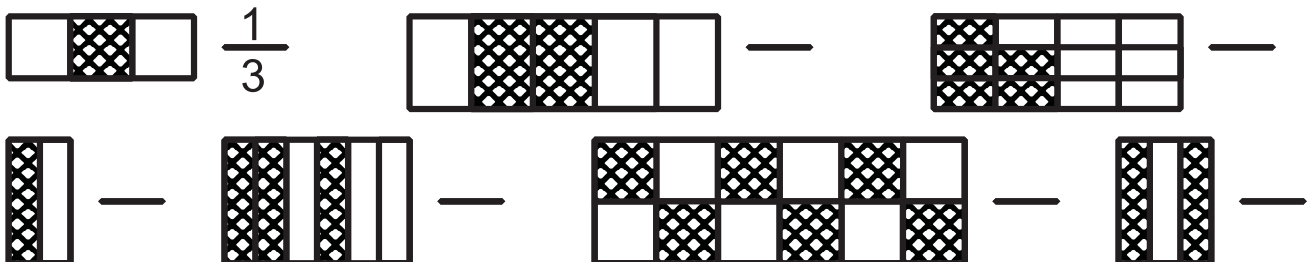

Fill in the temperatures.

Subtract to find how much change should be made. Draw coins to show the change.

Randy bought a race car for \$4.79. He paid \$5.00.	Susan bought a necklace for \$3.14. She paid \$3.50.
Hannah bought a dozen eggs for \$0.67. She paid \$1.00.	Joe bought a candy bar for \$0.39. He paid \$0.50.

Write the correct fraction.

Write the plural of each word on the line.

wrench _____ child _____ car _____
fish _____ wife _____ shelf _____
lady _____ penny _____ man _____
wish _____ deer _____ field _____

Make the dark word plural and write it on the lines to make a good sentence.

penny Jan has saved 3 quarters, 4 dimes and 6 _____.
foot Do you know how many _____ a caterpillar has?
half James very carefully cut the candy bars into _____.
woman The _____ in the chorale all sang beautifully.
loaf The baker only has five _____ of bread left in the case.

Tell whether the sentence is **declarative**, **interrogative**, or **exclamatory**.

_____ Watch out for that hornet's nest!
_____ Do you know how hot it is outside?
_____ I like chocolate ice cream better than strawberry ice cream.
_____ Where is the dog?
_____ Matt will be going into the fourth grade next year.

Write **complete** on the line if the words make a complete sentence. Write **incomplete** if the words do not make a complete sentence.

_____ The young man was very strong.
_____ Could carry heavy things.
_____ Jenna's long hair.
_____ He did not obey the new law.
_____ Ran laughing and splashing through the puddles.

Circle the letters that should be capitalized. Put an X on any letter that is capitalized and should not be.

jack london wrote call of the wild and white fang.

mr. J. n. barnsworth is my Uncle on my Father's side of the Family.

have you ever Read on the banks of plum creek by laura Ingalls wilder?

i Love to go to see my Grandmother and see all the animals on her Farm.

last june grandpa and grandma lesley, who live in vermont, came to visit us.

the parade will start at the mall, travel down main street, and end at redlane park.

cindy and kathy are bob's and david's cousins.

"the star-spangled banner" is our national anthem.

what month comes before october?

Place periods where they belong.

Market St is the longest street in my town

The garbage collector comes by on Tues and Fri each week

Mrs Lucy H James is the oldest lady to live on Mercy Cir

Feb is the shortest month of the whole year

Ned used to live on Hope Ln before they moved to Governors Rd

Place commas where they belong in each sentence.

Buffalo NY is about one hundred miles from Erie PA.

Mr. Little likes ham cheese onions and green peppers in his omelette.

Do you know who was born on April 2 1968?

Gerbils hamsters mice and rats are all rodents.

Joshua's uncle got an award on February 27 1977.

Put quotation marks where they belong in this conversation.

Jenna, do you want to play volleyball? asked Teresa. We bought a new net yesterday.

Sure, said Jenna. That sounds like fun. Let's ask Mary and Ginger to join us.

I'll go ask Mary while you ask Ginger, offered Teresa. I'll meet you in my backyard in a couple of minutes.

Tell whether the pairs of words are synonyms (**syn**), antonyms (**ant**) or homonyms (**hom**).

boy, girl _____ car, automobile _____ rain, reign _____
sign, banner _____ to, two _____ heavy, light _____
slay, sleigh _____ young, old _____ small, little _____
truth, lie _____ pop, soda _____ scene, seen _____

Circle all the nouns in the following sentences.

Sarah has a pogo stick that she shares with Francis.

The girls like to hop down the driveway like a kangaroo.

Sarah fell off quite a bit, but she continued to practice.

Occasionally the girls have a bouncing contest to see who can hop the most times.

Sarah also shares the pogo stick with her brother and his friends.

Underline each adjective and draw an arrow to the word it describes.

It is nice to see the green grass, blue sky and pretty flowers on a sunny day.

The busy ant hurried away with a large crumb.

Why is that small box on the table?

That new coat and long scarf do not match.

Red roses and white carnations make a lovely bouquet.

Circle the verbs.

An Ultra-Soaker-Supreme is a great water gun.

My friends and I have big water fights on hot afternoons.

We run and hide and surprise each other.

The cold water feels really good when I am hot and sweaty.

Underline the subject once and the verb twice.

After the ball game was over, my family went to a restaurant for dinner.

During dinner, we celebrated my brother's home run.

My brother's team, the Parrots, has not had a winning season.

Have you ever hit a home run?

Circle the correct word or words.

Do you believe (there is, there are) a dog who can write?

I think he (has, have) finished his chores cheerfully.

(There is, There are) several low swings on the swing set.

The swing set (are, is) one of the favorite places for children to play on the playground.

Do you know how many stars (there is, there are) in the sky?

Don't eat (to, two, too) much candy before the game or you will feel sick.

I am going (to, two, too) learn (to, two, too) juggle more than (to, too, two) clubs.

Juggling is not (to, too, two) hard if a person will practice a lot.

At the circus, (to, too, two) men juggled clubs (together, toogether).

The teacher (taught, learned) the class how to divide.

The boys (taught, learned) how to bait a hook.

Will you please (teach, learn) me how to build a fire?

(They're, Their, There) letting us stay with them at the beach.

Will you please spread out the towels over (they're, their, there)?

I love to play at the beach when (its it's) sunny.

Did Susan help mother (set, sit) out the picnic lunch?

The wind (blew, blue) the water into big waves.

5, 10,	<u>15</u>	<u>20</u>	<u>25</u>	<u>30</u>	<u>35</u>	<u>40</u>	<u>45</u>
7, 14,	<u>21</u>	<u>28</u>	<u>35</u>	<u>42</u>	<u>49</u>	<u>56</u>	<u>63</u>

On the line, write the place in which you see the five.

524 hundreds 500,713 100 thousands 98,650 tens
657,902 10 thousands 25,391 thousands 405 ones

Solve the story problems.

County Line School has 215 in the elementary school and 117 in the high school. How many students do they have altogether?

215+117=332

Mrs. Burns makes aprons. She can make 2 aprons from 1 yard of material. If she has 10 yards of blue material, how many aprons can she make?

10x2=20 aprons

Doug bought a race car for \$2.37 and a dump truck for \$2.69. If he gave the clerk \$6, how much change should he receive?

\$2.37+\$2.69=\$5.06 \$6.00-\$5.06=\$0.94

Monica wanted to share her bag of 12 cookies fairly with her 3 friends. How many cookies should she give to each person? (Monica also plans to eat cookies.)

12÷3=4

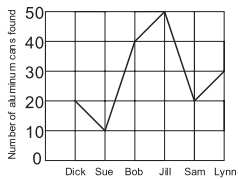

Fill in the blanks. Remember: 12 inches = 1 foot, 3 feet = 1 yard.

24 inches = 3 feet 9 feet = 3 yards 6 feet = 2 yards
2 yards = 6 feet 36 inches = 3 feet 2 feet = 24 inches
3 feet = 36 inches 3 yards = 9 feet *36 inches = 1 yard

Tell whether the number is odd or even.

461 odd 8 even 99 odd 6,392 even
32 even 63 odd 474 even 740 even
7,864 even 935 odd 9,761 odd 1 odd

Look at the graph and answer the questions.

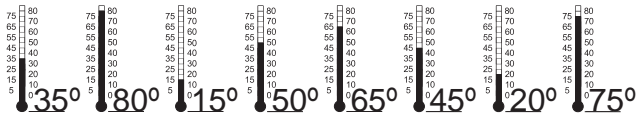

Who found more cans, Dick or Lynn?
Lynn

Who found the most cans?
Jill

Which two people found the same number of cans?
Dick and Sam

Who found the most cans, the girls or the boys?
the girls

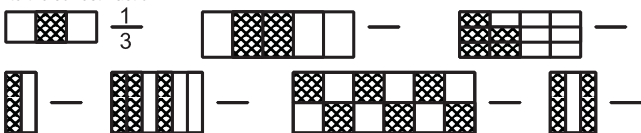

Fill in the temperatures.

Subtract to find how much change should be made. Draw coins to show the change.

Randy bought a race car for \$4.79. He paid \$5.00. <u>10¢ 10¢ 1¢</u> \$5.00-\$4.79=\$0.21	Susan bought a necklace for \$3.14. She paid \$3.50. <u>25¢ 10¢ 1¢</u> \$3.50-\$3.14=\$0.36
Hannah bought a dozen eggs for \$0.67. She paid \$1.00. <u>1¢ 1¢ 25¢ 5¢ 1¢</u> \$1.00-\$0.67=\$0.33	Joe bought a candy bar for \$0.39. He paid \$0.50. <u>10¢ 1¢</u> \$0.50-\$0.39=\$0.11

Write the correct fraction.

Write the plural of each word on the line.

wrench wrenches child children car cars
fish fish wife wives shelf shelves
lady ladies penny pennies man men
wish wishes deer deer field fields

Make the dark word plural and write it on the lines to make a good sentence.

penny Jan has saved 3 quarters, 4 dimes and 6 pennies.
foot Do you know how many feet a caterpillar has?
half James very carefully cut the candy bars into halves.
woman The women in the chorale all sang beautifully.
loaf The baker only has five loaves of bread left in the case.

Tell whether the sentence is **declarative**, **interrogative**, or **exclamatory**.

exclamatory Watch out for that hornet's nest!
interrogative Do you know how hot it is outside?
declarative I like chocolate ice cream better than strawberry ice cream.
interrogative Where is the dog?
declarative Matt will be going into the fourth grade next year.

Write **complete** on the line if the words make a complete sentence. Write **incomplete** if the words do not make a complete sentence.

complete The young man was very strong.
incomplete Could carry heavy things.
incomplete Jenna's long hair.
complete He did not obey the new law.
incomplete Ran laughing and splashing through the puddles.

Circle the letters that should be capitalized. Put an X on any letter that is capitalized and should not be.

Jack London wrote Call of the Wild and Onite Cang.

Mr. J. O Barnsworth is my Xuncle on my Xather's side of the Xfamily.

Have you ever Xread On the Oanks of Oum Creek by Paura Ingalls Wilder?

IXlove to go to see my Xrandmother and see all the animals on her Xarm.

Last June Gandpa and Grandma Besley, who live in Vermont, came to visit us.

The parade will start at the mall, travel down Oain Street, and end at Pedlane Park.

Andy and Pathy are Bob's and David's cousins.

The Star Spagled Canner" is our national anthem.

What month comes before October?

Place periods where they belong.

Market St. is the longest street in my town.

The garbage collector comes by on Tues. and Fri. each week.

Mrs. Lucy H. James is the oldest lady to live on Mercy Cir.

Feb. is the shortest month of the whole year.

Ned used to live on Hope Ln. before they moved to Governors Rd.

Place commas where they belong in each sentence.

Buffalo, NY, is about one hundred miles from Erie, PA.

Mr. Little likes ham, cheese, onions and green peppers in his omelette.

Do you know who was born on April 2, 1968?

Gerbils, hamsters, mice and rats are all rodents.

Joshua's uncle got an award on February 27, 1977.

Put quotation marks where they belong in this conversation.

"Jenna, do you want to play volleyball?" asked Teresa. "We bought a new net yesterday."

"Sure," said Jenna. "That sounds like fun. Let's ask Mary and Ginger to join us."

"I'll go ask Mary while you ask Ginger," offered Teresa. "I'll meet you in my backyard in a couple of minutes."

Circle the correct word or words.

Do you believe (there is) there are) a dog who can write?
